ABOUT ME

Dedicated and detail-oriented Certified Phlebotomist with 6 years of experience in venipuncture, capillary collection, and intravenous procedures. Skilled in performing blood draws, IV insertions, specimen collection, and laboratory processing while ensuring patient comfort and safety. Known for accuracy, efficiency, and strong interpersonal skills in both urgent care and outpatient settings.

WORK EXPERIENCE

Phlebotomist - Her Mobile Phlebotomy, Owings Mill, Md

July 2023 - March 2025

- Performed venipunctures and skin punctures to obtain a blood sample for laboratory testing.
- Assisted in the collection and processing of capillary puncture specimens.
- Followed infection-control and safety procedures in carrying out daily phlebotomy functions.
- Built trust and minimized patient discomfort during all procedures

Phlebotomist - Excelsior Urgent Care - Bowie, MD

May 2020 - July 2023

- Learned how to draw blood, label it correctly, and transport it to the lab for testing.
- Assisted in maintaining patient records and supporting healthcare staff
- Perform venipuncture, arterial punctures, and intravenous (IV) insertions for fluid therapy and blood collection.
- Utilized vacuum tube, syringe, and venipuncture butterfly methods to draw blood from veins as well as capillaries through dermal puncture.
